

DiMe Project Landscape Map

- Completed projects
- Active projects
- Living resources
- Upcoming projects

Digital measures & diagnostics

Product assessment & impact

Digitally enabled healthcare

Best practices & implementation

● Reference Measures for Novel Endpoints

● [The Playbook: Digital Clinical Measures](#)

● [The Playbook: Pediatric Digital Medicine](#)

● [The Playbook: Digital Healthcare](#)

● [VIC Core Competencies](#)

Regulatory

● [V3](#)

● [V3+](#)

● [Evidence Checklist](#)

● [3Ps of Digital Endpoint Value](#)

○ [Business Case for Endpoints](#)

Pre-competitive Digital Health Measure Development

- [Physical Activity](#)
- [Alzheimer's Disease & Related Dementias](#)
- [Sleep](#)
- [Nocturnal Scratch](#)

● [Cytokine Release Syndrome](#)

○ Developing a risk prediction engine for OUD

○ [Qualification of smartphone captured wound healing biomarkers](#)

● [Sensor data Integration](#)

● [DiMe-hih Innovation in Evidence Generation](#)

● [US Regulatory Pathways](#)

● [International Regulatory Pathways](#)

● [Evidence DEFINED](#)

● [Integrated Evidence Plans](#)

● [VIC Care Transitions Toolkit](#)

● [Payer-VIC Contracting Toolkit](#)

● [VIC Payment and Coding Toolkit](#)

Equity

● [CancerX Project on Equity and Financial Toxicity](#)

● [DE&I in Digitized Clinical Trials](#)

● [Toolkit for Inclusive Digital Health Measurement Product Development](#)

● [Toolkit for Inclusive Digital Health Measurement Product Deployment](#)

Terminology

● [DiMe Glossary](#)

● [Defining Virtual First Care \(V1C\)](#)

Communities of practice

● [Digital Health Measurement Collaborative Community \(DATAcc\)](#)

● [CancerX](#)

● [IMPACT Virtual First Care \(V1C\) Community](#)

Note: This landscape map only includes DiMe projects. Community libraries (ex: Endpoints Library), directories (ex: V1C provider directory), education courses (Digital Medicine Academy), and staff directed toolkits (ex: Federal Comment Toolkit) are not included.
